	30,000	31,253	11'-11"	43'-1"	12,500
	35,000	36,013	11'-11"	49'-4"	13,900
	40,000	39,821	11'-11"	54'-4"	15,000
	48,000	48,389	11'-11"	65'-7"	17,700
	50,000	50,293	11'-11"	68'-1"	18,300

* If an overflow-protection device such as a ball-float or flapper valve is installed in the tank, the actual tank capacity will be reduced.

** Actual height of the tank may be greater than actual tank diameter due to fittings and accessories. Load height during shipping may vary due to tank placement on shipping trailer.

*** Adding accessories to the tank may increase the tank weight.
